

Zero Defect Award Recognition for July 2026

Advanex (Thailand) proudly congratulates the teams at our Ayutthaya and Chonburi factories for achieving the Zero Defect Award for July 2026. This recognition highlights the teams' commitment to quality excellence, operational discipline, and continuous improvement.

The Zero Defect Award program helps strengthen quality awareness throughout the organization and supports our commitment to maintaining the highest manufacturing standards. Through the dedication of our employees, Advanex continues to deliver superior quality products and reliable performance to our customers.

Mr. Suwichai Pattamawitoon, Managing Director of Advanex (Thailand), expressed appreciation to all teams for their outstanding achievement and dedication to quality excellence. He emphasized that these accomplishments reflect Advanex's strong quality culture and commitment to continuous improvement across all operations.

Congratulations to all teams on this outstanding achievement. Your efforts play an important role in sustaining Advanex's reputation for quality and customer satisfaction.
